Facility Reservations

Racquetball, Volleyball, Badminton, Wallyball and Squash Court Reservations

All members are welcome to reserve racquetball, volleyball and badminton courts at both the SERF
and the Nat. If making a reservation for a small group looking to use the space for its designated
purpose, please call our SERF Towel Room (608-262-8259) or our Nat Towel Room (608-262-3790) to
reserve the space at no charge. Reservations may be placed up to three days in advance and are for
one-hour time slots. The earlier you call, however, the better chance you have of getting the
reservation time you want.

If making a reservation for the squash courts, please call our Nielsen Front Desk (608-262-0410) to
reserve a court.

If making a reservation for a wallyball court (1 court available at the Nat), please call our Nat Towel
Room (608-262-3790) to reserve the space at no charge.

Small Group Reservations (3 or less participants)

Facility Rental Policies

designated activities. Groups larger than 3 people are required to go through the Rec Sports Special Event Request Process (http://recsports.wisc.edu/reservations-and-rentals.htm#rental-process).

Outside activity users (i.e. any sport other than the courts designated sport) are not to displace users of the designated sport. If they come to play, outside activity users must vacate the space.

**Large Group Reservations**

Users must have appropriate athletic, non-marking footwear. Open-toed shoes, street shoes or shoes that mark the floor are prohibited.

Users must have appropriate athletic attire.

Activities permitted: stretching, core and aerobic exercises, dance, and spike ball

**Multipurpose Studios**
The multipurpose studios in the SERF and the Nat can be used for a variety of events. However, none of the exercise equipment is available for use unless a Rec Sports Group Fitness instructor is present. Groups can choose to put on a Zumba class specifically for their group. Without a Rec Sports provided instructor, that group will not have access to mats, equipment, or the stereo.

Users must have appropriate athletic footwear. No high heels or shoes that mark or damage the floors.

Users are **NOT** allowed to bring in their own sound system or amplification unless approved through Recreational Sports Special Event Reservations.

All individuals entering the pool must shower prior to entering and wear proper swim attire.

**Outdoor Rentals**
A Competitive Sports Supervisor must be present at all outdoor events. They will be available to open the Far West Shelter (if applicable), provide basic first aid, help with organization, and enforce Division policies.

The Competitive Sports Supervisor will dispose of anything intended for the entire group without prior approval by the Coordinator of Special Events.

Vehicles are not allowed on the outdoor fields. No pets or alcohol are allowed on the outdoor spaces. Staking of tents is only granted if the location of the tents does not interfere with underground utilities. A site visit may be requested by the Division before granting permission for tents. Flying kites and drones is strictly prohibited at the University Bay fields due to proximity to the hospital and medical emergency flight paths.

**Run / Walks**
All races and runs that will be using property of the University of Wisconsin-Madison must contact the Campus Event Services Office at [http://www.union.wisc.edu/eventservices.htm](http://www.union.wisc.edu/eventservices.htm).

Rooms and equipment related to the run / walks may be rented through the Division, but the run / walk must be approved by campus prior to the Division approving any space or equipment rental associated with the event.

**Advertising Your Special Event / Tabling / Sponsorships**

*Tabling:*
University Departments and RSO’s can table if space is available at the facilities. Fill out a special event request form to start the reservation process.

*Community Boards at the SERF & Nat:*
Groups can advertise on the community boards located at the SERF and the Nat. The advertisement must be approved by the Division. Please send the flier to the Coordinator of Special Events to start the approval process. Once it is approved, the Division will post the flier on the community boards. Reach TVs:
RSO’s can have their event advertised on the Reach televisions in the facilities. The advertisements are posted for one week. Each RSO is limited to two ads per semester. Work with the Coordinator of Special Events to get your event advertised on the Reach televisions. The design needs to be provided by the RSO and the format needs to be 1280 x 580 as a jpeg. The Division highly suggests basic details (date, time and location with a website for information) in large print so it can be seen.

No signage or advertising can include the Rec Sports logo without prior approval.

Cancellation Policy
Event cancellations must be submitted one full week prior to the event in writing to avoid complications. To cancel your event, email rs-speciale@recsports.wisc.edu with your name, the reserving group’s name, the date of the event and the reason why you wish to cancel. Within three business days you will receive an email acknowledging your cancellation for no cost. Advance payments will be refunded in this case.

Groups attempting to cancel less than one week in advance will be responsible for any staffing charges that would have accrued and may be subject to partial or full payment for their event. Cancellations occurring less than one week prior to the event will result in a forfeiture of any advance payments that have been made.

Damages
Organizations renting space or equipment with the Division are responsible for any damages or lost equipment from their rental. Damages and lost equipment will be billed back to the organization at cost for repair(s) and/or replacement.

Decorations / Signage
No balloons are allowed inside the facility. All decorations for the event are restricted to the area that is reserved by the organization. Any decorations that you would like to hang need to be hung with painters tape as to not damage paint or surface areas. If you would like directional signage, please contact the Coordinator or Special Events.

Event Charges
Rates for event charges (rental, labor, equipment) can be found on the website at: http://recsports.wisc.edu/reservations-and-rentals.htm#costs.

The amount of staff assigned to an event will be determined based on the size and nature of the event. Rental groups will also be charged for any special cleaning, maintenance or repair resulting from the event or activity.

Additional charges will be assessed for any equipment used for the event.

In additional to the rental, equipment and labor fees; any group that schedules an event outside of a facility’s regular operating hours must pay the personnel costs incurred in having the facility open beyond its posted hours.
Equipment Only Rentals
RSO’s may rent equipment for their events not within the Division’s facilities. Submit an online special event request form to start the process. The Division will not deliver the equipment, RSO’s are responsible for picking up the equipment at the Nat and returning the equipment within the set reservation time frame. Any equipment that is not returned or is damaged will be billed back to the organization at cost of replacement or repair.

Fundraisers
If the event is to strictly raise money for a charity and/or to cover the cost of the reservation, there are no additional items needed. If the event is to raise money for the profit of the group, special event insurance is required and the Division reserves the right to decline the event request or assume a percentage of the profit.

Special Event Reservation Procedures

Registered Student Organizations (RSO), University Departments and non-University affiliated organizations are able to reserve space. All requests must be submitted at least 2 weeks in advance for RSO’s and University Departments. For non-University affiliated organizations, requests must be submitted 4 weeks in advance to be considered. Requests made within a shorter time period cannot be guaranteed.

Requests are processed in the order in which they are received – please allow a minimum of 3 business days for a Division’s staff member to respond to your request.

The organization must be free of unresolved issues related to prior use of the Division’s facilities to be considered for group rentals.

RSO’s, University Departments and non-university affiliated organizations wishing to hold a special event at the SERF, the Nat, Nielsen, Camp Randall Sports Center and/or on our outdoor fields can begin by submitting a Special Event Request Form (http://recsports.wisc.edu/reservations-and-rentals.htm#rental-process). Submitting this form does not mean that the facility has been reserved for the organization.

Please browse our daily schedules online to see if the date and time at the desired facility you wish to request is available before submitting a request form.

If necessary, phone or email correspondence may be necessary to work through the details of your request. Under certain circumstances, a meeting between the primary contact and the Coordinator of Special Events may be requested if additional event logistics need to be discussed. The following items may be discussed:
- Dates and times of the event
- Purpose and scope of the event
- Participants
- Equipment rentals and costs
- Additional staffing requirements
- Liability insurance requirements
- Concession and vending requirements
- Payment methods
- Weather contingencies

If necessary, you will be notified if Special Event Insurance or a Vending Agreement is needed for your event. For more information, please contact rs-special@recsports.wisc.edu.

Once the Division has determined that the facility is available and the requirements of the event are satisfactory, the Coordinator of Special Events will create a confirmation contract that reflects the time, date, location, and equipment to be rented. The confirmation will be emailed to you with a request to
Facility Rental Policies

review the contract, sign it, and return it to the appropriate location. If the signed contract is not received within one week of the event date, the event will be cancelled.

The following conditions must be met for the event to be confirmed:

- The cost estimate is accepted by the requesting party.
- The confirmation contract is signed and returned to the Coordinator of Special Events by the requesting party no later than one week in advance of the event date.
- Facility Use Agreement has been signed by all parties (when applicable)
- Proof of Insurance form has been submitted (when applicable)
- The terms for giving away food or concessions have been agreed to and the Vending Agreement has been signed by all the parties (when applicable)
- Staffing requirements have been met (when applicable)
- The special event facility or supervision requirements have been coordinated with the Physical Plant and/or the UW Police Department (when applicable)

After the event has occurred, an invoice will be prepared by the Coordinator of Special Events. The invoice will be emailed to the primary contact. Amount due is payable upon receipt of bill. Specific directions for payment will be included on the invoice.

Concessions, Vending & Sales

Special regulations apply to special event concessions, vending, and sales. Please note that these facilities do not have an area which can be solely dedicated as a concession or vending stand or that can meet the applicable health standards for vending food and drinks.

If you wish to give food away for free, the food must be pre-packaged, professionally prepared, and approved by the Coordinator of Special Events. Common examples include bagels, bananas, and individually wrapped granola bars.

If you wish to sell food, you must first contact UW Housing, the Union, and Levy Restaurants about catering for the event. These three organizations have the right of first refusal and must be consulted before any other steps are taken.

If all three organizations decline to cater for the event and you wish to sell food, you must obtain a Temporary Food Stand Permit from UHS (http://www.uhs.wisc.edu/environmental-health/permits.shtml). The food that you sell must be pre-packaged, professionally made, and require no set-up on site. Examples include pre-made and packaged subs and individual bags of chips. The last option would be to use a vendor like Milio's Sandwiches or Ian's Pizza. However, the vendor must be currently licensed with the University. Feel free to check on the insurance standing of vendors here: http://riskinfo.bussvc.wisc.edu/Certs/VendorName.aspx

The Division of Recreational Sports will receive a minimum of 25% of any concession sales made during a special event. In certain circumstances, a formal Vending Agreement may be required. You will be notified if this is needed.
