**Sports Officials**
Sports officials must be scheduled separately from the event. Contact the Badger Student Officials Association for more information, scheduling requests and officiating pricing at bsoadirector@gmail.com.

**Special Event Reservation Procedures**
Registered Student Organizations (RSO), University Departments and non-University affiliated organizations are able to reserve space. All requests must be submitted at least 2 weeks in advance for RSO’s and University Departments. For non-University affiliated organizations, requests must be submitted 4 weeks in advance to be considered. Requests made within a shorter time period cannot be guaranteed.

Requests are processed in the order in which they are received – please allow a minimum of 3 business days for a Division staff member to respond to your request.

The organization must be free of unresolved issues related to prior use of the Division’s facilities to be considered for group rentals. All RSO’s must be in good standing with the Center for Leadership and Involvement in order to request facilities, equipment or personnel from the Division.

RSO’s, University Departments and non-university affiliated organizations wishing to hold a special event at the Natatorium, Nielsen Tennis Stadium, Camp Randall Sports Center and/or on the outdoor
spaces can begin by submitting a Special Event Request Form ([http://recsports.wisc.edu/reservations-and-rentals.htm#rental-process](http://recsports.wisc.edu/reservations-and-rentals.htm#rental-process)). Submitting this form does not mean that the facility has been reserved for the organization.

Please browse our daily schedules online to see if the date and time at the desired facility you wish to request is available before submitting a request form. ([http://recsports.wisc.edu/EMS/](http://recsports.wisc.edu/EMS/))

If necessary, phone or email correspondence may be necessary to work through the details of your request. Under certain circumstances, a meeting between the event organizer and the Assistant Director of Scheduling and Special Events may be requested if additional event logistics need to be discussed. The following items may be discussed:

- Dates and times of the event
- Purpose and scope of the event
- Participants
- Equipment rentals and costs
- Additional staffing requirements
- Liability insurance requirements
- Concession and vending requirements
- Payment methods
- Weather contingencies

Once the Division has determined that the facility is available and the requirements of the event are satisfactory, the Special Event Office will create a confirmation contract that reflects the time, date, location, and equipment to be rented. The contract will be emailed with a request to review the contract, sign it, and return it to the appropriate location. If the signed contract is not received at least one-week prior of the event date, the event will be cancelled.

The following conditions must be met for the event to be confirmed:
- The cost estimate is accepted by the requesting party.
- The confirmation contract is signed and returned no later than one week prior to the event.
- Facility Use Agreement has been signed by all parties (when applicable)
- Certificate of insurance has been submitted (when applicable)
- The Vending Agreement has been signed by all the parties (when applicable)

After the event has occurred, an invoice will be prepared by the Special Event Office. The invoice will be emailed to the primary contact. Amount due is payable upon receipt of bill. Specific directions for payment are included on the invoice.

**Concessions, Vending & Sales**

Special regulations apply to special event concessions, vending, and sales. Please note that these facilities do not have an area which can be solely dedicated as a concession or vending stand or that can meet the applicable health standards for vending food and drinks.

If you wish to give food away for free, the food must be pre-packaged, professionally prepared and approved by the Special Event Office. Common examples include bagels, bananas and individually wrapped granola bars.
If you wish to sell food, you must first contact the Wisconsin Union and Levy Restaurants about catering for the event. These two organizations have the right of first refusal and must be consulted before any other steps are taken.

If both organizations decline to cater the event and you wish to sell food, you must obtain a Temporary Food Stand Permit from UHS (http://www.uhs.wisc.edu/environmental-health/permits.shtml). The food that you sell must be pre-packaged, professionally made and require no set-up on site. Examples include pre-made and packaged subs and individual bags of chips. The last option would be to use a vendor. However, the vendor must be currently licensed with the University. Feel free to check on the insurance standing of vendors here: http://riskinfo.bussvc.wisc.edu/Certs/VendorName.aspx

The Division of Recreational Sports will receive a minimum of 25% of any concession or merchandise sales made during a special event. In certain circumstances, a formal Vending Agreement may be required. You will be notified if this is needed.
