CYCLING TRAVELS TO CHINA

Over the weekend the Tour of Zhejiang for International Elite Universities began in the province of Zhejiang. In early September, two members of the UW Cycling Club were contacted by the Sports Bureaus of Chun'an and Longyou and invited to ride in this prestigious road race. Many of the top ranked collegiate racers from Asia, Europe and the United States have been invited to ride, so this will be a highly competitive race. The athletes will be based in Hangzhou, Zhejiang, China with the races occurring in the surrounding areas of the province. This is an exciting event that is an honor to be invited to, so we wish the cycling members luck! We know you will represent the Badgers well. If you want to check out more information about the race, please go to- <http://www.hzbike.org/>.

WATER SKI & WAKEBOARD

The Wisconsin Water Ski and Wakeboard club qualified to compete at Nationals on October 17th-19th in El Paso, CA. After arriving in California, the club drove through the desert for two hours to find the Paradise Lakes Oasis- the only water source for 100 miles. They faced tough competition, competing against varsity teams of other universities. They won the fourth event, and ended as the 12th best team in the nation. Congratulations to the club!

UPCOMING: BUDO CLUB EVENT

On Thursday, November 14th Budo Club will be hosting a joint training event with the Aikido Club. One hour will be dedicated to Aikido for them to demonstrate their skills to everyone, and one hour will be dedicated to Budo to demonstrate their techniques. This is a great opportunity for all members of each club to train in a different style. It is a great way to build relationships with another club and learn more about martial arts!
